English, MA with TESOL Certificate

TESOL Certificate Requirements:

All Master of Arts in English Programs share certain basic requirements (listed below). This program leads to an M.A. in English with a certificate in Teaching English as a Second Language (TESOL). In addition to the basic requirements for the M.A., this program requires additional coursework in TESOL. The program offers tracks that prepare students for one of two opportunities: A) instruction at post-secondary/adult levels, or B) technical communication in corporate/non-profit settings. Either program might prepare a student to pursue doctoral work in applied linguistics or other areas of English Studies. Specific decisions should be reached in consultation with the Director of Intensive Language and Culture. The program requires 12 courses (36 hours) for completion, 6 of which (18 hours) will be in literature. You will need to complete either a Capstone Project or a Thesis in addition to a Practicum Project (EHL 610). The other course requirements are as follows:

EHL 505  SURVEY OF GENERAL LINGUISTICS  3
EHL 507  ADV ENGLISH GRAMMAR STUDIES  3
ED 640  DIFD STRGTY RES & TEACH ELL  3
EHL 610  AP EH LI VI:PRACTICUM TESOL  3

Total Semester Hours  18

Basic Requirements:

• At least half of the hours you take toward your degree (but not including any thesis hours) must be at the 600 level.
• At least 18 hours in your program must be in literature. To count, a course should deal with literature directly, rather than with writing or other topics. Please check to confirm if you have any questions about a specific course. Special certificate programs require additional hours that are determined in consultation with the appropriate program advisors.
• You must complete all work toward your degree within thirty semesters of the first course you take (counting summers). Courses taken between eighteen and thirty semesters prior to your degree program completion date may be re-validated by departmental exams negotiated with the specific faculty member who has responsibility for that course; any graduate course more than thirty semesters old may not be used.
• EH 540 and EH 649 indicate “Special Topics” courses. Often these are new courses, or courses taught by visiting faculty. You may include any number of these classes in your program of study, as long as you meet other requirements.
• Up to nine hours of graduate work in English may be transferred from other institutions with the approval of the Director of Graduate Studies. At least nine hours in English courses numbered 600 or above must be completed here at UAH (exclusive of thesis hours).
• You may take a maximum course load of 15 semester hours per semester, although 9 hours is considered full-time.
• You must maintain a 3.0 G.P.A. in all courses taken at the graduate level. If in any semester your cumulative G.P.A. falls below that 3.0 level, you will be on probation. You might also wish to assess your commitment to a graduate program.
• If your Program of Study requires 18 hours in literature, you will need to complete a thesis or a capstone project.
• You must demonstrate reading proficiency of French, German, Spanish, or another language deemed by the department to be academically appropriate. Adequate reading knowledge may be demonstrated by one of the following options:
  • Four semesters or their equivalent in one language with a minimum average grade of B at an accredited institution, completed not more than five years before your first graduate course in the UAH program or taken during your time in the M.A. program.
  • Intermediate-level performance on a UAH examination in the language, given by arrangement with the appropriate member of the faculty in the Department of Foreign Language.
• In lieu of the language requirement, additional graduate coursework of three semester hours of English. EHL 505 (Survey of General Linguistics) or EHL 507 (Advanced English Grammar Studies) or a designated course of a similar nature is required. These three semester hours are generally in addition to the hours required for the M.A. degree itself. Bear in mind that many Ph.D. programs still expect proficiency in one or often two foreign languages, however.
