## Introduction

The acquisition of a second language, and through it an understanding of another country's culture, is a rich academic experience for all students, not only in the arts, humanities, and social sciences, but also in business, education, nursing, the natural sciences, and engineering. Knowing how to communicate effectively in another language significantly enhances one's career opportunities and contributions as a citizen. This page provides an overview of the academic offerings of the Department of World Languages and Cultures.

## Mission Statement

The Department of World Languages and Cultures is dedicated to teaching students the language skills and cultural knowledge necessary for succeeding in today's multilingual world of cultural diversity, global markets, political interdependence, and international scientific and cultural collaboration.

Within the B.A. in Foreign Languages, students may choose French, German, Russian, or Spanish as a focus language, and may also concentrate in Foreign Language and International Trade in cooperation with the College of Business. Students can pursue foreign language teacher certification (<http://catalog.uah.edu/undergrad/colleges-departments/education/curriculum-instruction/foreign-language>) in French, German, or Spanish in conjunction with the College of Education, and they may minor in any of the four focus languages, or take Arabic or Japanese at the introductory and intermediate levels. Students studying languages offered up to the WLC 301 (Conversation) level may also complete the Certificate in Foreign Language and Global Engagement. The Department also serves nursing and pre-health students by offering Spanish for Medical Professionals at the introductory level.

In addition, the Department offers study abroad opportunities and domestic and international internships that give students cultural and professional experience that greatly enhances their career opportunities after graduation. World Languages and Cultures also sponsors language clubs and extracurricular activities that contribute to the university's rich campus life.

The Department offers an integrated curriculum comprising the teaching of linguistic proficiency and the promotion of a critical awareness of other cultures. Faculty use traditional methods as well as varied media and new technologies to engage students with world languages, literature, and film in their historical, social, and interdisciplinary contexts. World Languages and Cultures faculty promote academic pluralism by fostering a variety of interpretive and pedagogical approaches, and by virtue of their commitment to the highest standards in teaching, research, and service, they aim to uphold and further strengthen the national and international standing of UAH.

## Languages Offered

### Arabic, French, German, Japanese, Russian, Spanish

The Department of World Languages and Cultures offers the B.A. in Foreign Languages. A student may choose a focus language of French, German, Russian, or Spanish, and may also concentrate in Foreign Language and International Trade or pursue teaching certification. Arabic and Japanese cannot be taken as majors or minors, but can be taken to satisfy the language requirement for the B.A. degree or as electives.

## General Education Requirements and Placement Procedures

Three semester hours of credit in one foreign language are required for the B.A. degree. Most introductory language sequences begin in the fall semester, but more limited offerings of 101 level courses are available in spring and summer for students who need to complete their requirements.

### Placement Procedures

Placement procedures vary based on each student's level of experience with a language. Students with no previous instruction or experience are placed into WLC 101, while students with some level of instruction or experience are placed as follows:

**Native or Near-Native Speakers:** Native or near-native speakers of a foreign language may not take introductory and intermediate courses in that language, but are welcome to take upper level courses in their language or introductory level courses in another language. Students in this category should make an appointment with the appropriate language coordinator to take the standardized Web Cape International Foreign Language Placement Exam. They must still take a minimum of three (3) additional semester hours of foreign language course work to complete General Education Requirements for the B.A.

**Prior Language Experience:** Students with prior foreign language experience and heritage speakers may be placed into a higher level course by taking the Web Cape International Foreign Language Placement Exam. Heritage speakers are classified as individuals who have grown up speaking a language, but who have little or no formal education in that language. Students must still take a minimum of three (3) additional semester hours of foreign language course work to complete General Education Requirements for the B.A.

**High School Experience:** Students with 0-2 units of high school foreign language study will be placed in WLC 101, while students with 3-4 units will be placed in WLC 201. A minimum grade of C is required for a unit to be counted. Regardless of placement, students must take a minimum of three (3) additional semester hours of foreign language course work to complete General Education Requirements for the B.A. If an interval of two years or more occurs between study of a language in high school and continuation of that language in college, placement levels may be adjusted downward to entry level. Students in this situation, or others who may be uncertain of their skill level, are encouraged to take the Web Cape exam to confirm placement.

**Advanced Placement and CLEP Examinations:** The Department will award credit to students who have earned a score of three or higher on Advanced Placement (AP) Program examinations of the College Entrance Examination Board according to the following scale:

- Score of 3: 6 semester hours credit (i.e. through 102, 3 semester hours each course)
- Score of 4: 12 semester hours credit (through 202)
- Score of 5: 15 semester hours credit (through 301)

The credit thus awarded will satisfy General Education Requirements for the B.A. and count toward a major, minor, or certificate. However, it will be recorded without grades or quality points and will not be included in the calculation of the grade point average.

Students with CLEP examination scores in a foreign language will be placed on a case-by-case basis in consultation with World Languages and Cultures faculty.

**Students Planning to Major or Minor:** If students wish to major or minor in French, German, Russian, or Spanish, they may take the Web Cape placement exam to test out of a maximum of twelve (12) hours of course work (WLC 101, 102, 201, 202).

After taking the Web Cape exam, students majoring or minoring in a world language will be placed in an appropriate higher language course. They receive credit hours, without grade/quality points, for the two (2) highest elementary/intermediate language courses as is appropriate. If students test out of more than 6 hours, the remaining courses will be waived with no credit hours granted.

All students, irrespective of language background and placement, must take all remaining upper-level coursework to complete the major or minor.
