Paper copies of the application are available in the Graduate School and in departmental offices. There is a non-refundable application fee of $60 for domestic students and international students which must accompany the application. Applicants who have previously enrolled at UAH will pay a $30 fee and should submit a paper application.

   b. the applicant presents evidence of having taken the GRE/MAT over five years ago and hence cannot obtain official scores;
   c. the applicant graduated from an accredited college or university five or more years ago and has not subsequently been enrolled since that time, and has a record of consistent professional and/or academic achievement as documented on a submitted resume;
   d. FE exam - pass and show proof;

The student must inform the chairs of both departments/programs that he/ she is pursuing the two degree programs concurrently.

Students who fail to enroll in classes within one year of their date of admission must submit a new application.
