Additional Admission Requirements for International Students

Language Proficiency for Admission

All applicants whose native language is other than English must demonstrate the linguistic proficiency necessary to function in degree programs at UAH.

Unconditional admission to degree programs:

1. In order to be considered for admission to degree programs with no additional English language training required, applicants must meet the following minimums on the Test of English as a Foreign Language (TOEFL) or International English Language Testing System (IELTS):
   - TOEFL: all sub-scores greater than or equal to 18 OR
   - IELTS: all sub-scores greater than or equal to 6.0

2. Students with two or more sub-scores below these minimum qualifications must enroll in the UAH Intensive Language and Culture (ILC) Program before they can enroll in graduate course work.

*College and/or departments may require a higher minimum language score for admission.

Language proficiency is only one factor in admission decisions. To confirm the full admission requirements for specific degree programs, please refer to the application for your particular degree. Students who have earned a bachelor's or higher degree from an accredited U.S. institution will be exempted from the TOEFL or IELTS requirements above. Students with degrees from non-U.S. institutions that have English as their primary language of instruction (e.g. United Kingdom, Canada, Australia, etc.) may petition the Graduate School for an exemption from the English Language Placement Test (ELPT).

Nonnative English-speaking Graduate Teaching Assistants

To be considered for positions as teaching assistants or graduate assistants, students must have the following minimums on the TOEFL or IELTS.

- TOEFL: no sub-score below 22 OR
- IELTS: no sub-score below 6.5
