Joint Nursing Science, PhD

The purpose of the Joint Nursing Science Ph.D. program is to prepare nurse scholars who will advance nursing science by generating new knowledge. It is a joint program between The University of Alabama in Huntsville (UAH) and The University of Alabama (UA).

In addition to the graduate degree requirements of the Joint UA UAH Nursing Science Ph.D. program, a student is required to complete a minimum of 63 semester hours of graduate coursework.

A minimum grade of B must be obtained in each course in the student’s program of study. Students must also attend two (2) Joint Ph.D. Intensives during their course of study.

Please note that curricular changes may be made in the coming year. Please contact the College of Nursing Office of Graduate Programs for the most current information.
