

Student Facilities and Services

University Housing

The University of Alabama in Huntsville (UAH) offers a variety of housing facilities to meet the needs of its diverse student population. Please visit www.uah.edu/housing (<https://www.uah.edu/housing/>) for the most current information for housing options, requirements, policies, and residence hall amenities/services. All first-year freshmen students who apply for University housing will be assigned to either Central Campus Residence Hall, Frank Franz Hall, or North Campus residence Hall. All first year full-time undergraduate students with a permanent legal residence beyond a 30 mile radius from campus are required to live in the campus residence halls. Upper-class residents may apply to Beville Center, Charger Village Addition, Charger Village Original, and Southeast Campus Housing. Upperclassmen assignments are based on availability of space off of a created waitlist by application date.

All residence halls are convenient to the Salmon Library, the University Fitness Center, Charger Union, and all classroom facilities. In each residence hall, suites are furnished with a sofa, accent tables, and lounge chairs. The suite will have a mini kitchen that includes a refrigerator and microwave. Every bedroom has a loftable extra-long twin bed, a wardrobe or closet, a chest of drawers, a desk, and chair. All Housing and Residence Life suites have digital cable (Xfinity On Campus), Wifi, and wired internet access. Finally, a laundry room, study lounges, and a kitchen can be found.

All housing facilities have a full-time, live-in Resident Director and Resident Assistants (RA) who live on each floor. RA's develop activities and programs, provide assistance to student residents, serve as liaisons to other University departments and help create a residential community that contributes to effective student learning, personal and social growth, and individual responsibility.

Any admitted student to UAH is eligible for an assignment in University Housing. Housing and Residence Life housing contracts can be found on their main page at <http://www.uah.edu/housing> (<https://www.uah.edu/housing/>). Room assignments are contingent upon confirmation of admission. Priority for assignment is based upon classification by the University (first-year student, transfer student, etc.), the date of receipt of the application, commitment fee, and availability of housing.

All single students sign an academic year room contract (Fall and Spring). Housing charges are due when tuition is due each academic semester. Summer housing for single students is available in a residence hall under a separate contract.

Current rates and additional information are all available from the:

Housing Office
