Intensive Language and Culture

Mission
The Intensive Language and Culture Program (ILC) is an academically-oriented language and culture program that prepares students for engagement in the classroom, on the campus, and across the community. In the ILC, nonnative speakers of English can develop language skills for study in an English-medium university such as UAH. With a rigorous curriculum and strict attendance requirements, the program supports students as they progress in their acquisition of academic/professional English.

Overview
The ILC includes 18-20 hours of classroom instruction per week. Students develop their skills in both oral and written academic English. Instruction adheres to principles of communicative language teaching.

Students are instructed in the four component skills of listening, speaking, reading, and writing. Additional work in pragmatics, grammar and pronunciation supports progress in both accuracy and fluency, with special attention paid to interaction in a U.S. university context.

The Intensive Language and Culture Program (ILC) serves the needs of non-native speakers of English at UAH. Students in Levels 010-040 (High Beginning - High Intermediate) prepare for study at English-medium universities, such as UAH. Students in Level 050 (Advanced) polish their language skills and transition into undergraduate, graduate, or non-degree programs at UAH.

Additional Information
ILC Program information is also available on the program website (http://www.uah.edu/ilcp/). If you are interested in applying to the ILC or receiving additional information, please email the director of the ILC at ilc@uah.edu.

To be considered for admission to the ILC program, you must complete the following four steps:

You must achieve the following minimum score to be considered for admission:

• TOEFL (iBT): Overall of at least 50 with no sub-score below 12

OR
