Total Semester Hours**120****Additional Information**

A student majoring in history will find a variety of programs of study enabling her or him to develop depth and breadth in history and related areas from the other humanities, the social sciences, mathematics, and the natural sciences. Counseling is available in the History Department for programs of study in the following:

- general
- secondary school teaching
- graduate school preparation
- pre-professional and pre-law preparation
- international studies
- public history
- and more

Students initiate the POS by meeting with the CAHS Academic Advisors and following up with a faculty advisor in the department to review and sign it. Note, that while a POS is a contract and maps out the selection of courses that a student needs to progress toward a degree, he or she can always change majors and/or minors, and even colleges, at any point.
