Management and Leadership Minor

Students planning for careers that require management and leadership skills may consider a minor in Management and Leadership. The minor includes required courses from the field of management, and potential elective courses from communications, psychology, sociology, nursing, and political science.

Students electing a minor may use the courses completed in their Charger Foundations as part of the required hours in a minor. Students may also use relevant courses to meet the requirements in their major.

NOTE: This minor is not available to students pursuing a Management major within the BSBA degree.
